

ISVIB – SCIENTIST AWARD

General Information: The award was created from the funds provided by the organizers of the ISVIB's X Annual Convention in the year 2003 held at Madras Veterinary College, Chennai.

Number of Awards: One award each year

Terms and conditions:

1. The awards would be given to one best research article published in national/international journal with high impact factor and citation index (Clarivate).
2. The life members of ISVIB alone are eligible to apply for the award irrespective of age and cadre.
3. First author and corresponding author of research paper are eligible to apply for the award.
4. The award winners are also eligible to apply for consecutive awards based on their new publications.
5. The first author/corresponding author should submit the reprint of the paper along with its citation index and impact factor (Clarivate).
6. The work should have been done in India within the preceding three years in the area of Veterinary Immunology and/or Biotechnology. Three years will be calculated from the date of the ISVIB symposium held each year. The head of the department/institution head should certify that the work has been carried out in their institute and not in foreign countries.
7. The first or corresponding author whoever applies will receive the cash award apart from certificates along with others.
8. The published work should contribute to knowledge or leads to technical inventions useful to industry, farmers and line departments.
9. The award would be selected by a panel of three eminent scientists based on citation index and impact factor of the journal in which the article is published.
10. ISVIB reserves the right to defer the award if suitable research articles are not submitted for the award.

Hard copy application shall be sent to

**The Secretary, ISVIB
Department of Veterinary Microbiology,
Madras Veterinary College, Vepery, Chennai 600007, TN**
