- Patron : Gopal Krishna Dwivedi
Special chief secretary to
Government, Agriculture and
Cooperation.
Vice-Chancellor,SVVU,
Tirupati
- Chairman : Dr. K. Sarjan Rao,
Director of Research,
SVVU, Tirupati
- Organizing Secretary : Dr. D. Rani Prameela
Professor and Head,
SLDL, SVVU, Tirupati
- Co-Organizing Secretaries : Dr. M. Sravanthi
Dr. T. Nagendra Reddy
Dr. L. Lahari
- Treasurer Members : Dr. S. Vijaya Lakshmi
Dr. K. Lakshmi Kavitha
Dr. Y. Muralidhar
Dr. L.S.S. Varaprasad Reddy
Dr. C.S. Swetha

OFFICE-BEARERS OF ISVIB

- President : Dr. R.K. Singh,
Former Director, ICAR,IVRI
- Vice-Presidents : Dr. K.S.Palaniswami
Former Director of Research,
TANUVAS
Dr. G. Dhinakar Raj
Professor and Head, Dept. of
Animal Biotechnology, MVC,
Chennai
- Secretary : Dr.A, Thangavelu, Professor
and Head (Rtd), Dept of
Veterinary Microbiology,
TANUVAS
- Joint Secretaries : Dr. Yashpal Singh Malik,
Dean, College of Animal
Biotechnology, GADVASU,
Ludhiana
Dr. Parimal Roy,
Rtd. Professor, TANUVAS
- Treasurer : Dr. S. Manoharan
Professor, VRC-BV, Centre
for Animal Health studies,
MM Colony, TANUVAS
Chennai

XXVIII Annual Convention of ISVIB and National conference on “Advanced Concepts & Strategies of Immuno-Biotechnology in Disease Diagnosis & Control” December 12-14, 2023 REGISTRATION FORM

Name (Block Letters).....
Designation:
Age: Gender:
Address for correspondence:
.....
Email:
Mobile No:
Registration as Delegate/Student/Others:
*Certificate submission from HOD/Dean/Principal is
mandatory
Arrival at Tirupati: Date Time:
Departure from Tirupati: DateTime:

Announcement cum Invitation

VIBCON-2023
XXVIII Annual Convention of ISVIB
and National conference on

**“ADVANCED CONCEPTS,
STRATEGIES IN IMMUNO-
BIOTECHNOLOGY FOR DISEASE
DIAGNOSIS AND CONTROL”**
December 12-14, 2023

Organized by
**State Level Diagnostic Laboratory,
Sri Venkateswara Veterinary
University, Tirupati,
Andhra Pradesh.**

Under the aegis of
**INDIAN SOCIETY FOR VETERINARY
IMMUNOLOGY & BIOTECHNOLOGY
(ISVIB)**

INVITATION

The Indian Society for Veterinary Immunology & Biotechnology – ISVIB in collaboration with Sri Venkateswara Veterinary University, Tirupati is organizing XXVIII Annual Convention of ISVIB and National conference on “**Advanced Concepts, Strategies in Immuno-Biotechnology for Disease Diagnosis and Control**” at State Level Diagnostic Laboratory, Tirupati from December 12-14th, 2023. The convention will give a unique opportunity to the academicians, scientists and students pursuing research on diverse aspects of Veterinary Immunology and Biotechnology by taking part and sharing their research findings with the assemblage of professionals and experts.

THEME

The National conference aimed to bring Microbiologists, Immunologists, Biotechnologists, Academicians, Scientists, Health Professionals and Entrepreneurs under common forum for scientific interactions and knowledge dissemination from lab to land. The conference will help to address the challenges in animal/poultry health and solutions to mitigate them. In addition, the conference will help to focus on advanced techniques in Biotechnology, Nanotechnology, Bioinformatics, vaccinology, proteomics, genomics, pharmaceuticals and their applications in early and accurate disease diagnosis, treatment and control. The overall theme is to update the knowledge in various sectors to improve the animal/poultry health and wealth of the farmers.

ABOUT THE HOST INSTITUTE

Sri Venkateswara Veterinary University (SVVU), Tirupati was established in the year 2005 to strengthen Education, Research and Extension activities in Veterinary and Dairy sciences in the state of Andhra Pradesh. The mission of the university is to facilitate sustainable growth and development of livestock and allied sectors by building competent human resources for generating and developing scientific, situation-specific, cost-effective and easily adaptable technologies.

State Level Animal Disease Diagnostic Laboratory (SLDL) was established for diagnosis of different animal diseases to cater the needs of the farmers. The laboratory has P3 facility to deal with virulent organisms. Hematology, Biochemical, Molecular diagnostics, Immuno-histochemistry, Bacteriology and Virology are been carried out in this advanced laboratory.

THE SOCIETY

ISVIB is the premier conglomerate organization of more than 1000 Veterinary and Animal Scientists from the disciplines of Microbiology, Immunology, Biotechnology, Pathology, Parasitology, Veterinary Public Health, Animal Genetics & Breeding, Animal Biochemistry, Animal Physiology, Preventive Medicine, Animal Reproduction,

Fisheries Sciences and related disciplines of Animal Health & Production, with the objective of fostering the growth of Veterinary Immunology and Biotechnology.

The ISVIB was started in the year 1990 with a motive to discuss, analyze and formulate suitable strategies for safeguarding the animal health and thus to ensure improved animal production. The ISVIB organizes annual national conventions and conferences to critically analyze and update knowledge and understand issues concerning animal production and health.

SCIENTIFIC SESSIONS

- Emerging and Reemerging Zoonoses – One Health
- Molecular Diagnostics and Applications
- Genomics and Proteomics in Infection and Immunity
- Advanced Technologies in Health and Reproduction
- Nanotechnology and Bioinformatics
- Innovations in Immunodiagnostics and Therapeutics
- Current trends in Vaccinology, Veterinary pharmaceuticals and Drug delivery
- Award presentation session

SUBMISSION OF ABSTRACTS

Abstracts of the research paper(s) with title, name(s) of authors, address of the institutions limited to 300 words typed in 12 font size (Times New Roman, Microsoft word) in 1.5 line spacing, leaving 1” margin on left and right sides may be sent via e-mail attachment on or before 25th November, 2023 to vibcon2023@gmail.com. The abstract should contain the objectives of the study, brief methodology, results and conclusions. Selected papers will be considered for oral or poster presentation. Posters should be 4’ X 3’ with title, name of the authors, affiliation, objectives, materials and methods, results and conclusion. The name of the presenting author should be marked in bold and underlined. The acceptance for the selected abstracts will be communicated to the presenting author through e-mail only.

AWARDS AND RECOGNITION

The society recognizes outstanding contribution of individuals in the field of Veterinary Immunology and Biotechnology and confers various awards to the outstanding scientists. The awards include:

- ISVIB Fellow award
- ISVIB Young Scientist Award (age below 35 years)
- Mid-career Scientist Award (age between 36-50 years)
- ISVIB Scientist award
- GADVASU Woman Scientist Award
- Dr. Lingard memorial award for Product Development
- Burnett Memorial award for Team Research
- Poster awards
- Two student travel grants

The contestants should have enrolled as life member of ISVIB before the deadline of application submission. The hard copies of the full paper for young scientist award (age below 35 years), mid-career scientist award (between 36 and 50 years) and others should be sent to Dr. S. Manoharan, Professor, Vaccine Research Centre- Bacterial Vaccines, Centre for Animal Health studies, Madhavaram milk Colony, TANUVAS, Chennai, latest by 25th November, 2023, along with a soft copy to thangavelu_a@hotmail.com. A copy of the award application should be sent to the organizing secretary, at vibcon2023@gmail.com before presenting at the convocation. Membership application form, detailed guidelines for awards and application proforma for awards can be downloaded from the society website: www.isvib.org.

REGISTRATION

Only online registration is permitted

Registration category	Early bird registration (on or before 24. 11.2023)	Late Registration (from 25.11.2023)
ISVIB members	Rs. 5,500/-	Rs. 6,000/-
Non-ISVIB members	Rs. 6,000/-	Rs. 6,500/-
Corporate Registration	Rs. 10,000/-	Rs. 11,000/-
Retired life Member ISVIB	Rs. 3,500/-	Rs. 4,000/-
Accompanying person	Rs. 3,000/-	Rs. 3,500/-
Students/Research Scholars*	Rs. 2,000/-	Rs. 2,500/-

*To be certified by Head of the Department/ Institute Registration fee payment (NEFT) on the following bank detail.

Account Name: M/S ORGANIZING SECRETORY ISVIB 2023 SLDL TIRUPATI

Account Number : 209812010000571

IFSC : UBIN0820989

Bank Branch : Union bank of India, SVVU campus, Thummalagunta, Andhra Pradesh 517502.

VENUE, LOCATION AND ACCOMMODATION

Tirupati city, referred to as the spiritual capital of Andhra Pradesh located at the foot hills of Tirumala, abode of Lord Venkateswara. Tirupati is a mesmerizing tourist center with holy shrines, waterfalls, and exquisite shopping destinations.

Limited number of accommodation is available in the institute guest houses and preference will be given to invited guests. Preferred participants may seek accommodation in the TTD guest house by online booking or it may be informed to the organizer one month well in advance. Accommodation to the delegates will be arranged in other guest houses/ nearby hotels on request. The approximate tariff rates are Rs. 1,500 to Rs. 3,000 per day. Delegates who wish to have Balaji Darshan are requested to book their darshan tickets well in advance through www.tirupatibalaji.ap.gov.in.
