

First Announcement

VIBCON-2019

XXVI ANNUAL CONVENTION

of

Indian Society of Veterinary Immunology & Biotechnology

&

National Conference

on

**Transforming Livestock Economy through Innovations in
Immunology and Biotechnology**

January 20-22, 2020

**ICAR-Indian Veterinary Research Institute,
Izatnagar-243 122 (UP) INDIA**

THEME AREAS OF VIBCON-2019

1. Emerging/re-emerging animal infections & zoonoses
2. Pathogen Detection and Pathogenomics
3. Innovations in Immunoprophylactics and Therapeutics
4. Antimicrobials and Antimicrobial Resistance
5. Food Safety and Trade
6. Genomics in Animal Production and Big data Analysis

	Till 30 th November 2019	After 30 th November 2019
ISVIB Members	5000	6000
Non-ISVIB Members	6000	7000
PG Students/ Research Scholars/RA/SRF/JRF	2500	3000
Accompanying persons	2000	3000
Industry Delegates	10000	15000
Retired ISVIB Members	2500	3000

Abstract Submission Date: 30th November, 2019

Send Abstract on Email: vibcon2019@gmail.com

The Indian Society for Veterinary Immunology & Biotechnology (ISVIB) in collaboration with ICAR-Indian Veterinary Research Institute, Izatnagar is organizing XXVI Annual Convention & National Conference on "Transforming Livestock Economy through Innovations in Immunology and Biotechnology" at ICAR-IVRI from 20-22 January 2020. The convention will give a unique opportunity to the academicians, scientists, and students pursuing research on diverse aspects of Veterinary Immunology and Biotechnology by taking part and sharing their research findings with the assemblage of professionals and experts.
